It's quick and easy to set up your account online. Visit the Teladoc website and click "Set up account". Then follow the instructions below.

1. Provide your name, contact information, and date of birth
2. If you have a username, choose "Yes" and enter it here. If you don't have a username, choose "No, I don't have a username."

Not all members have a username, so don't worry if you need to select "No."

3. Select option "My Employer" Type "Northwest Ohio Benefits Alliance" in the box. The name should show and just click on "Northwest Ohio Benefits Alliance"

Then enter the requested information to set up your account online. Should you have any issues you can call 800-Teladoc (835-2362) and they will set your account up for you.
